Strengthening Volunteer Boards

Would you like to enhance your skills as a Board Member?

Are you a new board member of a non-profit organization?

Would you like useful information to take back to your board?

Are you an Executive Director of an organization with a board?

Would you like to attend an open workshop before committing to a specialized workshop for your organization?

This workshop is for you.

As a board member of a not-for-profit organization, have you ever wondered...

- What are my legal and ethical responsibilities?
- What role do I play in governing our organization?
- How can our Board organize its work to avoid burnout?
- How do we develop policies to help make consistent decisions?
- How can we encourage teamwork between Board and staff?
- How can we clarify Board Members roles and responsibilities?
- How to understand the relationship between ED and the Board?

An intensive 1 day workshop facilitated by trained and experienced educators through Alberta Community Development, Board Development Program.

Attend by yourself or with another member of the board.

Note: this workshop content will focus on incorporated not-for-profit organizations.

Limit of 3 board members per organization please.
