Workshop Series

Presents

Screening Volunteers In - Not Out

Wednesday September 20

~Join Us~

Implementing the right screening process for your non-profit can be a daunting task.

In this presentation, you will gain a better understanding of the screening process from a variety of organizational perspectives – volunteers, volunteer managers, and clients.

This presentation will cover:

- the important steps in the screening process
- provide clarity on the difference between a Vulnerable Sector Check and a Police Information Check (when to use)
- a knowledge around the implementation of effective and proactive screening practices within your organization

SPECIAL GUESTS

RCMP Strathcona County

Edmonton Police Services

These guests will be sharing local process and tips.

Course Outcomes

Enhance awareness of volunteer screening in order to inform internal processes, policies and staff.

Identify processes and pathways forward to enhance screening practices internally.
